Highlights

30% More light on the road
Our lighting solutions produce a powerful and precise beam with superior light output. Take advantage of headlamp replacement to increase your visibility on the road.

A robust construction
Spare kit boxes are made of resistant materials and designed to withstand mechanical damage preventing lamps from breakage.

Easy storage in the car
Designed with drivers in mind, the Easy Kit was optimized to fit in your trunk or glovebox while taking up a minimal amount of space.

High quality homologated lamps
The Philips spare kits are fitted with best in class products. Made from high quality materials and tested to the highest specifications to maximize safety and driving comfort of our users. Our entire lamp production is meticulously tested, controlled and certified (ISO 9001, ISO 14001 and QSO 9000) to the highest ECE requirements.

Maximised car range coverage
Offering a large variety of spare bulbs, Philips Spare Kits fit on average 90% of the car park. It is the perfect choice for drivers concerned with their safety.
